111/13 Review of date for SODC presentation on Neighbourhood Plan

Further to the resolution of Full Council on the 9th July Minute 105/H/d - SODC have stated that they do not want to wait until September to start the Neighbourhood Plan consultation. They have asked that they start this on Saturday 3rd August with a presentation in the Town Hall. NH said the other 2 Parish Councils who are also doing a Neighbourhood Plan have agreed to have the presentation in August and if we do not accept this date we would be the only Council who would not have done it and would then be behind. It was noted that the SODC exhibition is a generic one about Plans. It will be purely to launch the consultation process, which is purely on the area of the plan. After discussion it was:

Resolved: That we revoke the decision of Full Council as regards Minute 105/H/d and agree that we have the SODC presentation on the 3rd August and SODC will bring the exhibition to the Town Hall between 10am and 2pm. It was agreed that we need to publicise it as much as possible.

It was also agreed to ask if the consultation period could be extended longer than 6 weeks

112/13 Outside Painting of Community Office – to discuss recommendation from the Finance meeting which is being held prior to this meeting.

Resolved: That we accept the quote from Simon Bradford Decorating Services for £1940 (see quote for full details) and that should there be no underspend in the Operations budget that this item be met from general reserves with the proviso that the work is able to be completed before the winter months.
